

Provider Communication

Subject: Home Health Services HIPAA Codes	Priority: High
Date: March 08, 2004	Message ID: ACSBNR-03082004-1

Dear Home Health Program Provider:

Effective April 1, 2004, Home Health providers will begin using the following codes taken from the National (HIPAA Compliant) Code Table. Please refer to Part II , Home Health Services Manual, Appendix J, for a detailed description and explanation of these codes:

1. Old Code Y0701 will be replaced by G0154, S9123 and S9124
2. Old Code Y0702 will be replaced by G0151, 97001 and 97002
3. Old Code Y0703 will be replaced by G0153, 92506 and 92507
4. Old Code Y0704 will be replaced by G0156 and S9122
5. Old Code Y0706 will be replaced by G0152, 97003 and 97004

Claims submitted using the old codes for dates of service on or after April 1, 2004 will be denied. For questions regarding this message contact Nell Moton-Kapple, Home Health Program Specialist, at 404-657-7211. Thank you for your continued participation in and support of the Georgia Medicaid and PeachCare for Kids Program.
